BEFORE THE GOVERNMENT OF H.H. THE MAHARAJA OF MYSORE.

MUZRAI DEPARTMENT

Muz 282-33-1

Muzrai appeal No. of 1933-34.

Respectfully Sheweth,

The appellant begs to prefer this appeal under Sec. 3s of the Mysore Religious and charitable Institutions Regulation against the order of the Muzrai Commissioner in Mysore in regard to the payment of certain Kanikes received in the temple of Sri Anjaneyaswami temple at Mulbagal.

2. The temple in question is a major Muzrai Institution and the appellant and his ancestors have been the archaks in hereditary succession from time immemorial - The management of the inam villages endowed to the temple and the administration of the temple affairs were vested solely in the appellant's family but were made over to Government subject to the conditions set forth in the Mutchalika dated 17-4-1893 (copy enclosed).

3. From 1893 up to date the appellant has scrupulously adhered to the terms of the mutchalika and has been doing the duties assigned to him without any complaint what-so-ever. Besides, by his own untiring exertions and the co-operation of the devoties, the temple buildings have not only been considerably improved but substantial additions have been made to the temple property by way of Puduvat offerings.

4. In lieu of the great sacrifice made by the appellant's family in surrendering possession of the endowed villages, etc., to Government, he has earned the prospective right to certain items of temple income and other privileges, the propriety of which cannot be questioned at this distance of time.

5. The Kanikes and other perquisites offered by devotees in fulfilment of their vows or other considerations have always been enjoyed by the archaks and other temple servants. The question of introducing a Dabbi in the temple for the devotees to drop their offerings having come up for consideration in 1922, it was finally ordered that no dabbi need be introduced, that all kanikes, etc, offered by devotees should go for the personal benefit of the Archaks and other servants and not for the benefit of the institution funds. This has acquired the force of law and being followed uninterruptedly.

6. The order now passed by the Muzrai Commissioner declining to hand over the Kanike received by post to the temple servants is a negation of his own order and previous practice. The restriction now proposed to be imposed to the effect that the temple servants are entitled to the Kanikes offered by devotees visiting the temple actually sets at naught the agreement entered into by the appellant's ancestors with Government in 1893 and the undisturbed enjoyment of the privilege by temple servants from time immemorial.

7. No hair-splitting difference between the Kanikes offered by devotees visiting the temple and those sent by post or other agency in cases where devotees find it inconvenient to visit the temple personally can be made

made reasonably without jeopardising the interests and the vested rights of the temple servants.

8. The appellant submits that if the Muzrai Commissioner felt any reasonable doubt of delicacy about the construction to be put upon the order passed by a previous commissioner, the matter should have been referred to Government instead of giving a ruling in contravention of the previous established practice. The order of the Muzrai commissioner has taken away the inherent right of the temple servants for Kanikes offered by the devotees and has prejudiced their case seriously.

9. The archaks and other temple servants have been mainly depending upon the meagre remuneration paid to them monthly and on occasional income of the kind now under notice and have no other means of sustenance. The appellant begs that reasons which lead to the non-introduction of the Kanike dabbi in the temple may be carefully gone into and the narrow and un~~ma~~maintainable construction now proposed to be put upon the orders previously passed discountenanced and the status quo restored.

10. For these reasons, among others, the appellant begs that the order appealed against may be cancelled and the Kanike received by post ordered to be paid to him and other temple servants.

I beg to remain,

Respected Sir,

Your most obedient servant,

Bangalore,

Dated 13th June 1934.

5 From the enclosures to the petition it is seen that as stated at para 49 of the petition a previous M.C. has ordered in 1924 that all Kanikar be offered by devotees for the personal benefit of the Archaka of the servants & not for the benefit of the institution. In the face of this previous decision it is not clear how the present M.C. has passed the order appealed against. The records will be called for if affirmed.

The archak ~~also~~ speaks of his
inherent right to the Kanika paid
by devotees in the temple. He has not
adduced any documentary evidence in
support of this statement. A Sabbi
for the reception of such Kanika is
~~kept~~ kept in many temples. He cannot
therefore claim the Kanika as a customary
right.

~~10-17-36~~ 21. I have been the letter of D.C. to 11c
dated 21st Feb. 1924, that he did
not mention the introduction of Kanika
Sabbi in the Sri Manjunayy Temple
at Mulbagal in the year 1922. The income
of the archak is too little
to maintain himself, and he has to go to the M.C.
for help. The 6th May 1924 is evidently based on the
fact that the Kanika of M.C.
in the year 27th May 1922 (revised scale
of income and expenditure in the Sri Manjunayy
Temple) has provided a fairly good scale of pay
to the archak, and at such a time it is not probable
that the 'Kanika Sabbi' system would not be
introduced in the temple, and that the
income of the archak may also be more.

The pay of the Archakas is not very much.

If the Kanike which they have been getting

 not take the same interest in their work.

The order ^{of the M.C. in 1924} also seems to have been passed
 with reference to the ^{circumstances} of the particular

 remain undisturbed, particularly as it has been made
 clear that Kanike specifically paid for the ^{and}
